

SHADI ABOSADA

It is impossible for a creature to exist in the light without casting a shadow.
It would be outlandish for it to moves in another, one and the other are
So related that they cannot subsist without attachment by their root.
The shadow is the black devil reflecting and stretching on the surfaces to
Die in the darkness; it is our nihilistic side where details of our lives
Become ethereal.

EN

Born in Syria, Sweida City in 1983, Shadi Abousada currently lives in Beirut.
Multi-medium artist, painter, installation and video artist, Shadi Abousada deals with reality and intimate events with symbolic still life, either sarcastically or mysteriously to trigger viewer's attention & curiosity.

Graduated from the Faculty of Fine Arts of Damascus University in 2008, Shadi Abousada is known for his urban scenes both light and meaningful.

FR

Shadi Abousada est né a Sweida en 1983, il vit et travaille a Beyrouth. Artiste travaillant aussi bien avec la peinture que les installations ou la vidéo, Shadi traite de la réalité et de sa vie personnelle d'une manière symbolique, usant d'un ton sarcastique ou mystérieux pour attirer l'attention et la curiosité du spectateur.

Diplômé de la Faculté des Beaux-Arts de Damas en 2008, Shadi Abousada est connu pour ses scènes urbaines, a la fois lumineuses et lourdes de sens.
